

Clark Theders Insurance Agency, Inc.
Finalist – Community Service

Clark Theders Insurance Agency, Inc. was founded over 50 years ago based on a foundation of friendly, caring service and representation of quality insurance companies. Twenty years ago, we recognized the evolution of the West Chester and Liberty Township areas from serene farmland to a community popping with subdivisions, streets, restaurants, and shops. In 1985, West Chester became our new home. We are proud to be the largest independent insurance agent in our area insuring countless families and businesses in these districts.

All of our 29 agents and licensed account executives commit time to both professional and personal education opportunities in order to serve the needs of our clients. Family members include Rick Theders, CEO and wife Ann Theders, Corporate Secretary. Sons Jonathan Theders, President and Chris Theders, Inspection Services are also a part of the family business. Our motto is “*Valuing our History, Embracing your Future.*” This is our dedication to not only our customers and staff, but to the community as well.

We are enthusiastic to assist and support our community in any way we can. This support allows us to strengthen our commitment to the families and businesses in this area. We encourage one another to give back to our favorite charitable associations. Our efforts reach organizations such as The Community Foundation of West Chester/Liberty, Reach Out Lakota, Project Daymaker, Kate’s Cupboard, One Way Farm of Fairfield, Inc., HART Animal Rescue and Healthy Beginnings. In addition, several Theders’ family members and Clark-Theders staff offer gifts of time and leadership by serving on many boards and committees. We are proud of our allegiance to the community and honored to call so many not only our customers, but our friends.
