

## ROUNDTABLE 08-09

National speakers, fresh topics highlight another year for UC Real Estate Roundtable

With the new October 10th UC Roundtable at the Westin, the area's premier commercial real estate breakfast series begins another year of cutting-edge national speakers, local issues, and networking opportunities. This year's lineup includes presentations by some high profile developers, as well as Economists and Urban Planners.

Check out pages two and three inside for an in-depth look at the program calendar highlighting the Roundtable series. **To become a member, just complete the attached envelope and return with payment.**

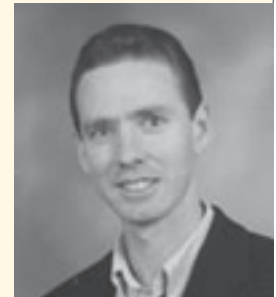

Roundtable members pack the ballroom at Kenwood Country Club

### BOND TAKES JOB AS ASSOCIATE PROFESSOR

*Shaun Bond, Ph.D.*

The University of Cincinnati Real Estate Program is happy to announce that Dr. Shaun Bond has accepted the position of Associate Professor. Dr. Bond received his Ph.D. from the Faculty of Economics at the University of Cambridge in the United Kingdom. He is an internationally recognized scholar in real estate finance and economics, with numerous publications in the top real estate and finance journals.

Shaun has previously held appointments as a University Senior Lecturer in Real Estate Finance at the University of Cambridge, a Visiting Associate Professor in the Smeal College of Business at the Pennsylvania State University, senior Economist at the Queensland Treasury Department, and has been a visiting fellow at the George Washington University and the University of Queensland.
